NEW COLLECTION

NEW COLLECTIONS

Colourful, bold, casual and contemporary. An attractive textile proposal inspired by the indigenous art and textile tradition of the Philippines, with which to bring any space to life.

Pepe Peñalver reaches a perfect symbiosis of ancestral and deeprooted past together with the latest, disruptive and innovative trends, where the explosion of colour is positioned as the maximum exponent and clear hallmark of the brand.

MINDANAO

The core collection.

Ethnic Prints.

We have taken as a reference some of the old techniques of handmade textile printing such as tie-dye or ikat, which are getting more popular in modern decorations, claiming their ability to move forward in time, without losing their identity.

Lush flowers and leaves.

The silhouettes and lines of Isabela pattern are reminiscent of traditional block prints, combining the light base of the fabric with a more intense tone.
